To

The Revenue Secretary
to the Government of Mysore,
BANGALORE.

Petitioner.- Mudda Ramiah, Contractor,
residing in Chickballapur,
Kolar District.

Respected Sir,

I, the petitioner above named, most respectfully beg to remind your honour of my petition of the 30th October 1923, and to state again, Sir, that the work of constructing the Town Hall at Chickballapur was granted to me upon a due execution of a contract bond by the Department of Public Works on my tender for the said work being approved by the Executive and Superintending Engineers, having received a Deposit of Rs.250/- therefor and that after I started the work and during its progress, due to a Resolution passed by the Municipality that site for the construction of the said Town Hall has to be changed, the work was ordered to be stopped nearly two years back i.e., on 20-2-1922. That in consequence the said work was stopped by me, leaving all the advances on materials and workmen and having the materials ready at site at that time as they were, in expectation for further orders to re-start the work. That up to date though I have petitioned I have had no endorsement and I now learn that the Government have ordered that the said work may be got done under the supervision of the Municipality.

That I further beg to state that I shall be put to very much loss if the work is entrusted to any others than me as a good amount of money has been invested by me on men and materials and that on account of my having been waiting to re-start the work since the past nearly two years without undertaking any other works.

That therefore I pray that the said work may kindly be ordered to be given to me only, either on the original

tender rates, accepted by the P.W.D., or as per the present sanctioned estimate rates, and thus see that I am not in any way put to loss.

For which act of kindness, I shall ever feel thankful in anticipation of a favourable early orders, which I am expecting in return.

I beg to remain,

Respected Sir,

Your most obedient servant,

Bangalore,
